Version 11/2002

This form is provided free of charge by IND

**Application for an extension of stay in the United Kingdom in one of the following categories – au pair, crew member, employment not requiring a work permit, highly skilled migrant, postgraduate medical/dental training, private medical treatment, UK ancestry, visitor, writer/artist/composer – or for other purposes/reasons not covered by the other immigration application forms**

**This form is valid only for applications made on or before 14 November 2002**

### **For which types of application must you use this form?**

Only to apply for an extension of stay in one of the categories listed on page 4 of this form.

### **What you must do for your application to be valid**

- Complete this form, if it is appropriate for your application, answering all the questions, providing all the information and completing, or ticking where appropriate, all the boxes that apply to you. If you are completing the form by hand it would be helpful if you could write in BLOCK letters and in black ink.
- Provide all the documents and photographs specified in Section 6 of this form. **All documents must be originals or photocopies certified as true copies by the issuing authority** (such as a photocopy of a building society passbook certified by a branch of the building society).
- Give a satisfactory explanation if you are unable at present to provide any of the documents or photographs with this form, and a reasonable timescale for their submission.
- Sign and date Section 7 as specified.

An invalid application will be returned to you or your representative, reducing the time available to make a valid application before your current leave to enter or remain runs out. To help avoid this, use the checklist on page 11.

### **Posting your application**

Post the completed form to:

**Initial Consideration Unit – FLR(O)  
Immigration and Nationality Directorate  
Lunar House, 40 Wellesley Road,  
Croydon, CR9 2BY**

It is in your interests to apply **4-5 weeks** before the last day of your leave to be in the UK. If you apply earlier than that, please note that your application may be delayed or refused if you are applying in a category that requires a specified period of time to be completed in order to qualify for further leave to remain. **Recorded Delivery** post helps us to record the receipt of your application; we recommend that you use it.

### **How to obtain another form**

By telephoning the Application Forms Unit on **0870 241 0645**. **This number is for application form requests only**. For any other enquiries or assistance, the telephone number is **0870 606 7766**. You can also download application forms from the following Home Office website:

<http://www.ind.homeoffice.gov.uk>

## How long will it take to process your application?

In the first 3 months of 2002, the initial consideration of new applications took 6 weeks on average. We are working hard to reduce this to 3 weeks or less. **For current processing times, please see the information sheet enclosed with this form if you received it from the Application Forms Unit; or the "making an application" page on the Home Office website if you have access to the internet (see address on the front page).** We aim to decide most cases (at least 65%) on initial consideration. But if your case needs further consideration or enquiries, we will send you a letter informing you of this and telling you how long it may take. Any further enquiries needed could include visits by the Immigration Service.

## How will your passport (s) and other documents be returned?

By Recorded Delivery (RD) in all cases, so there is no need to enclose your own postage.

## Croydon and regional Public Enquiry Offices

If your application is urgent you may take it to the **Public Enquiry Office (PEO), Lunar House, 40 Wellesley Road, Croydon** (opening hours 9.00 to 4.00 Monday to Friday, excluding public holidays). If possible, PEO will complete a straightforward application with all necessary supporting documents/evidence on the day of your visit. If not, the application may be taken in for completion by post. **Please note that PEO will not deal with your application if it is made more than 4 weeks before the last day of your leave to enter or remain.** PEO accommodation is limited, so only applicants and any family members included in the application will be allowed into the building. Interpreters are available. **PEO deals only with personal callers.** It does not deal with third parties (eg advisers or representatives).

There are also 3 regional Public Enquiry Offices for personal callers only. Details are given below. The telephone numbers usually give only general information in a recorded message; they will not normally be able to advise you on whether your particular application can be dealt with by the PEO concerned.

## Immigration advisers

This form is designed to enable you to make your own application. If you consider it necessary to seek advice in completing it or in dealing with any other aspect of your application, you should take care when choosing an adviser. The Office of the Immigration Services Commissioner (OISC) regulates immigration advisers. Generally, only solicitors, barristers and legal executives who hold a practising certificate do not need OISC authorisation. Anyone else could be committing a criminal offence if they act on your behalf without being OISC authorised or otherwise exempted. If your adviser is not a solicitor, barrister or legal executive you should ask if they are OISC authorised. A list of OISC authorised advisers is on their website at [www.oisc.gov.uk](http://www.oisc.gov.uk) which has links to websites for solicitors, barristers and legal executives. To complain about an immigration adviser, call the OISC (tel 0845 000 0046 - calls charged at local rate) or write to OISC, 6<sup>th</sup> Floor, Fleetbank House, 2-6 Salisbury Square, London EC4Y 8JX.
